Oceanis 46.1

An International launch: Newport / Sydney / Cannes 2019

A bestseller is born:

The Oceanis 46.1 is the ideal design to successfully follow up the iconic Oceanis 45, which has an impeccable track record. She retains the fundamental elements, which have proved such a hit among our clients, such as volume and comfort, whilst harmoniously integrating the codes that make the 51.1 so popular: innovative hull, improved performance and elegance.

An extremely well-designed boat to guarantee a long career that extends far beyond the others.

Provisional Specifications *(Boat in process of certification)*

GENERAL SPECIFICATIONS

• L.O.A	14,60 m / 47'11"
• Hull length	13,65 m / 44'9"

• Genoa	62 m ² / 667 sq/ft
• I	18,33 m / 60'2"
• J	6,3 m / 20'8"
• P	17,82 m / 58'6"
• E	5,50 m / 18'1"

Oceanis 46.1

1 boat / 3 dedicated programs

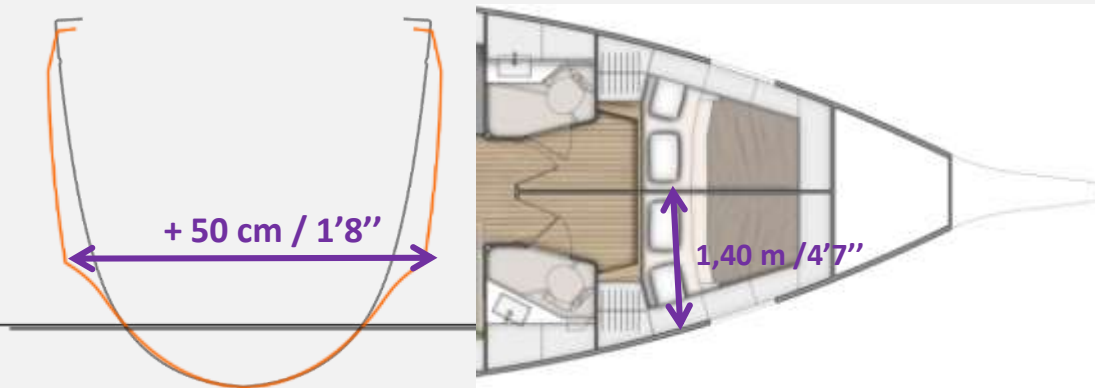

Even more volume thanks to the 51.1's innovative hull

Situated above the waterline, the chine boosts the internal volume considerably, retaining the boat's seaworthy qualities and the performance of the hull.

This increase in space is striking in the forward cabin: +50 cm / 1'8" gain in hull width compared with the Oceanis 45: the only boat of this size on the market with an owner's cabin.

Everything has been designed for optimum comfort and volume.

An architectural choice, which also benefits from 2 specific forward cabin options with a comfortable double bed that measures 1.40m / 4'7" at the bedhead.

A key asset for Yacht management or Charter sales

Oceanis 46.1

Hull / Deck

Easy handling : 1 self-tailing winch (H40.2 STA) at each helm station as standard: all the manoeuvres are led back to the helm station

2 Stand Up mainsheet blocks on the coachroof : for owner who wants a smoother shape.
(mainsail arch as option)

Easy handling: furling system mast and angulated boom - help for the storage of the mainsail

Polyester bowsprit with integrated anchoring gear and bobstay.
(Included in rigging packs)

Split backstay with turnbuckle

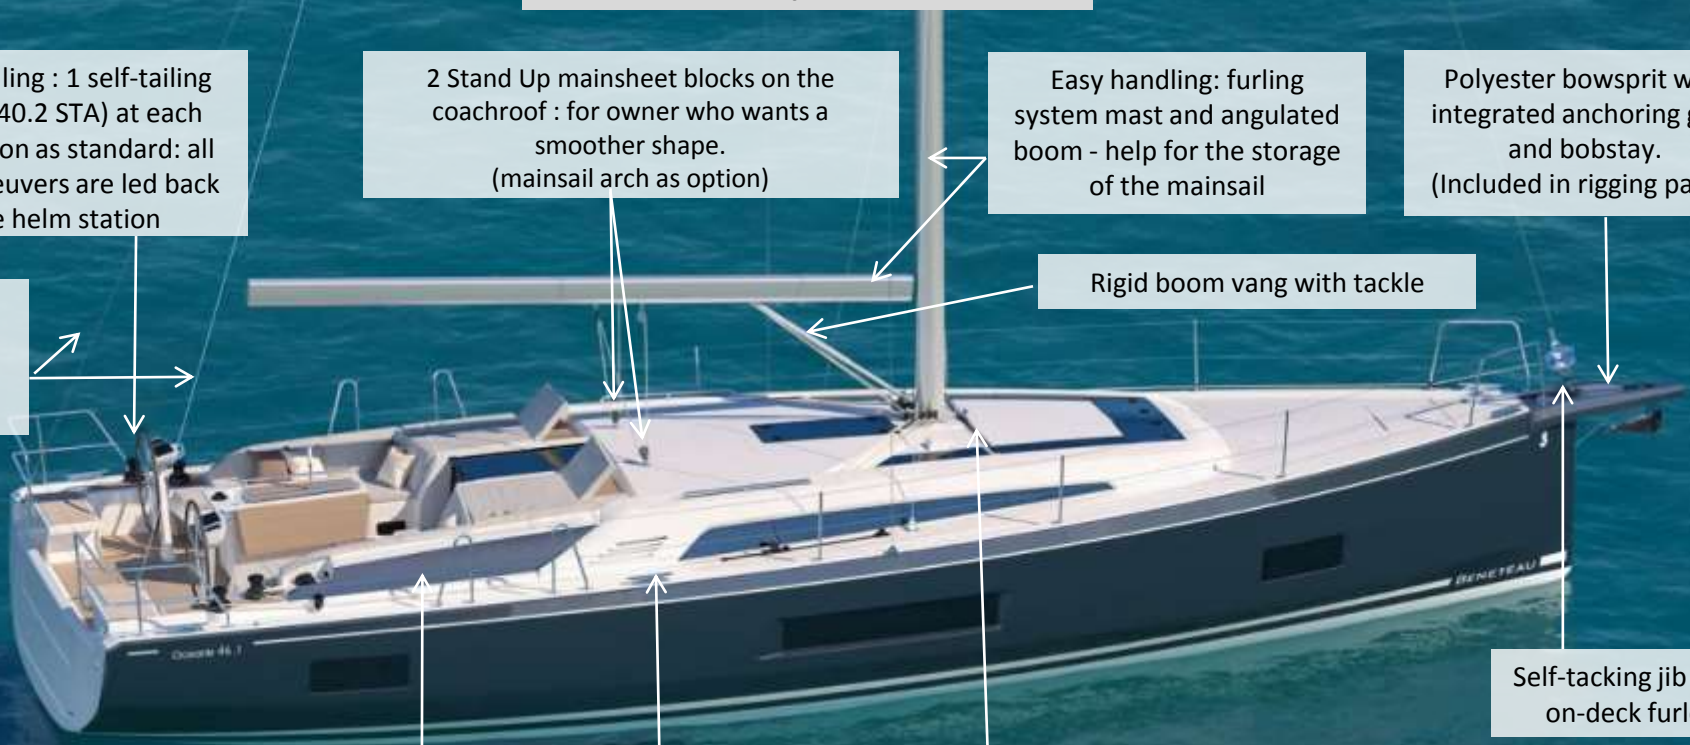

Rigid boom vang with tackle

Self-tacking jib with on-deck furler

Easy handling :
1 Self-tacking jib track

Halyard covers for a very refined deck, customizable (Blue grey or pearl grey stickers - BE V27)

Aluminium mooring cleats,
Retractable as option (BA B06)

Oceanis 46.1

Easy movement in complete safety

Lower shroud fixed inside :
easy movement towards
forward

Handrails on the roof

Safety moves: Double guard
lines and stainless steel
stanchions 650 mm / 2'2"

Comfortable side decks

Oceanis 46.1

Cockpit

Mainsail arch option

Wide and very spacious cockpit to make it comfortable and easy to move around.

The sunbathing areas adjacent to the companionway considerably increase the hosting capacity and are always available for lounging.

Slatted wood as option (WE C18)

Helm console (included in electronic pack) mounted on a pedestal

Choice of 2 large cockpit tables.

Both are able to stow the life raft in the central section

2,65 m x 0,80 m / 8'8" x 2'7"

Large bathing platform with an integrated ladder
Optional electric opening.

Port helmsman's seat: integrated gas bottle stowage

Starboard helmsman's seat: integrated stowage locker

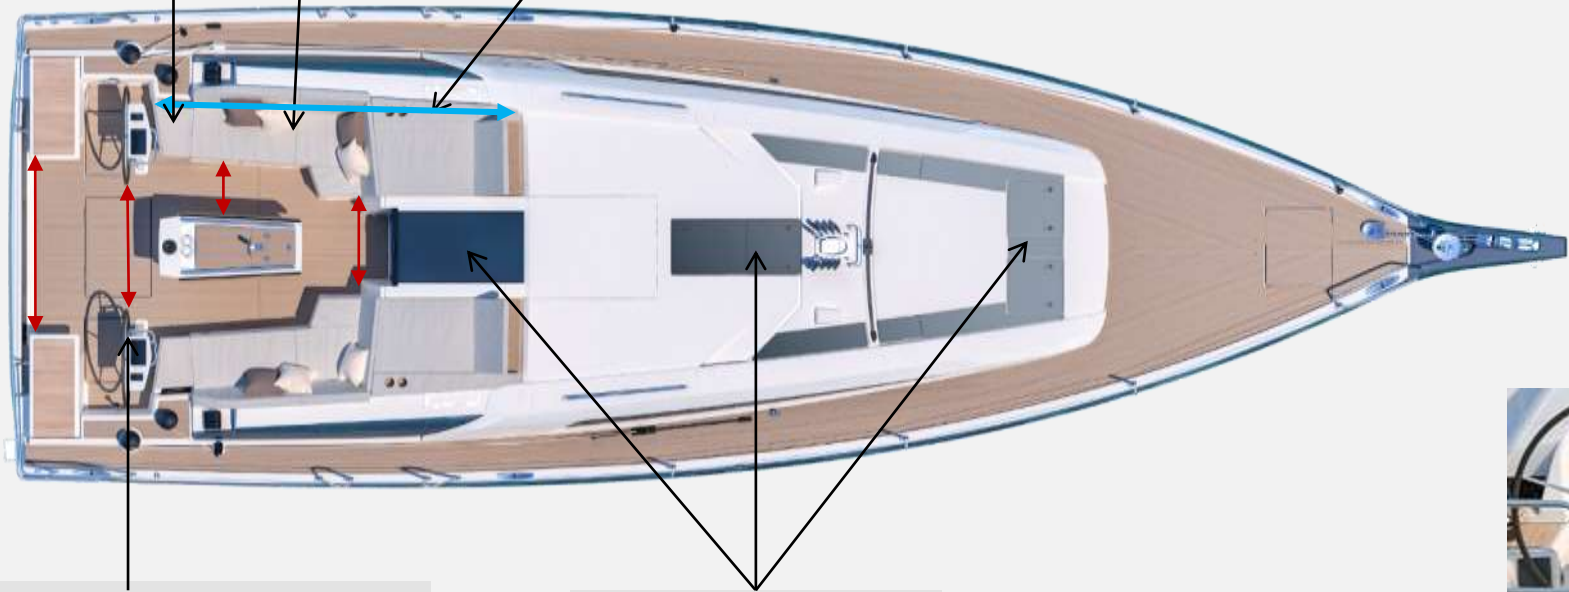

Oceanis 46.1

A unique cockpit: space, ergonomics, comfort

Cockpit seating extension with integrated rope locker (trim level)

L-shaped cockpit seating: to provide good support when heeled or for use as a lounge

3.15m / 10'4" relaxation area on each side of the cockpit!
The sunbed areas continuing on from cockpit seating are an extension of the cockpit, thus providing comfortable additional space aboard for guests. A choice, which enables a large fixed cockpit table that is always able to be used

Wide passageway for very free circulation across the whole cockpit: access to the platform, between the wheels, around the cockpit table and near the companionway

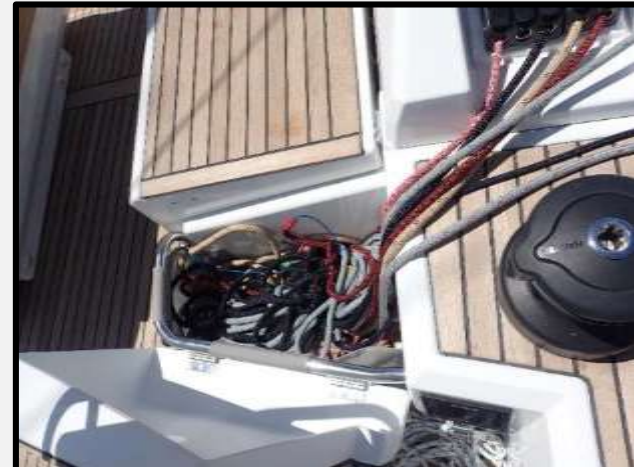

Large windows for excellent interior light.
3 opening deck hatches

Wheel on a standard pedestal:
the console is integrated with the electronic instrument packs

Oceanis 46.1

Cockpit

Cockpit: Electronic Packs

Oceanis 46.1

The interior living areas

A big name in design for a particularly elegant interior.

Nautica Design, always mindful to giving our owners the very best, has managed to combine the beauty of fabric and materials, omnipresent light, ergonomics and volume.

A very rich standard in the line of owners' boats.

Mast bookcase, dedicated chart table, large U-shaped sofa, edge capping on the furniture, beige deck linings along the hull, indirect LED lighting, mast upholstery, handrails, view of sea through large ports, easy access with an extremely soft and comfortable companionway.... The 46.1 is an exemplary model

Personalisation certainly isn't overlooked either. Alpi Mahogany woodwork for a timeless classic or light scrubbed Oak for a more modern twist.

Available with lining and upholstery options creating a boat that appeals to all.

Oceanis 46.1

Interior: a very qualitative standard

Everywhere natural light

Long handrail on ceiling

Starboard head compartment access
